Mediterraneo da vivere.

it / Ogni paesaggio è uno stato d'animo, scrisse il filosofo, poeta e critico Henri-Frédéric Amiel nel suo Diario Intimo. Una citazione che affiora spontanea se pensiamo al Mediterraneo: uno spazio infinito della natura e della memoria, così indescrivibile nelle emozioni, quanto vivido e profondo nelle sensazioni che trasmette. Un mood inconfondibile che contraddistingue da sempre l'outdoor Ethimo: un progetto in continua evoluzione, nel quale il senso tipicamente italiano dell'armonia, della bellezza e del saper fare, si fonde con i contributi progettuali ed i percorsi culturali di importanti protagonisti del design internazionale come Christophe Pillet, Marc Sadler, Luca Nichetto, Patrick Norguet, Matteo Thun, Antonio Rodriguez.

Anche quest'anno, alcuni dei luoghi più affascinanti del Mediterraneo sono gli scenari in cui vengono presentate le collezioni Ethimo. Dal fascino esclusivo di un club della Costa Azzurra, al calore accogliente della Puglia, alla spettacolare bellezza dell'isola di Favignana. Ambienti storici e contemporanei, dimore private e raffinati spazi dedicati all'ospitalità, stanze all'aria aperta nelle quali rilassarsi, incontrarsi, vivere con naturale, sapiente e coinvolgente raffinatezza, in un'atmosfera sempre unica.

en / **Mediterranean home living.** Every landscape is a state of mind, wrote the philosopher, poet and critic Henri-Frédéric Amiel in his Intimate Diary. A quote that comes naturally when we think of the Mediterranean: an infinite stretch of nature and memory, as indescrivable in our emotions just as it is vivid and profound in the sensations it conveys. An unmistakable mood that has always set Ethimo outdoor furnishings apart: a multi-form and ever-evolving project, in which the typically Italian sense of harmony, beauty and savoir faire is combined with the design input and cultural pathways of leading names in international design.

fr / **Méditerranée à vivre.** Chaque paysage est un état d'âme, écrivit le philosophe, poète et critique Henri-Frédéric Amiel dans son Journal intime. Une citation qui surgit spontanément si on pense à la Méditerranée : cet espace infini de la nature et de la mémoire, aussi indescrivable dans les émotions qu'il transmet, que vivace et profond dans les sentiments qu'il inspire. Un état d'esprit incomparable qui distingue depuis toujours le mobilier d'extérieur Ethimo : un projet multiforme qui évolue en permanence, et dans lequel le sens typiquement italien de l'harmonie, de la beauté et du savoir-faire se mêle aux contributions conceptuelles et aux parcours culturels d'importants protagonistes du design international.

de / **Das Mittelmeer-Erlebnis.** Jede Landschaft ist ein Seelenzustand – schrieb der Philosoph, Poet und Kritiker Henri-Frédéric Amiel in seinen Intimen Aufzeichnungen. Ein Zitat, das einem spontan in den Sinn kommt, wenn man an das Mittelmeer denkt: ein endloser Natur- und Gedächtnisraum, der unbeschreibliche Emotionen wachruft, und lebhafte und tiefgreifende Empfindungen vermittelt. Eine unverwechselbare Stimmung, die seit jeher das Outdoor Ethimo auszeichnet: ein facettenreiches, sich ständig weiterentwickelndes Projekt, in dem der typisch italienische Sinn für Harmonie, Schönheit und Know-how mit den Designbeiträgen und den kulturellen Wegen bedeutender internationaler Designer verschmilzt.

Il sole di mezzogiorno, la musica delle onde, il gioco delle ombre fra gli scogli e le pietre. Ispirazioni dalla natura, per un mood coinvolgente e inconfondibile.

The midday sun, the music of the waves, the game of shadows among the rocks and the stones. Inspirations from nature, for a captivating and unique mood.

it / La collezione Ethimo si arricchisce di nuove proposte che sempre più avvicinano il mondo outdoor a quello indoor, nelle tipologie d'arredo come nella ricercatezza dei dettagli e nel modo stesso di intendere l'abitare. Christophe Pillet interpreta con magistrale eleganza e contemporanea creatività lo spirito mediterraneo in Grand Life, la famiglia di ampie poltrone e divani in teak, materiale outdoor per antonomasia, con avvolgente schienale intrecciato, alle quali si affiancano ulteriori accessori per creare ambienti completi, accoglienti e prestigiosi.

Luca Nichetto esprime l'anima più intima della sua Venezia, in due progetti che ampliano le proposte Ethimo per l'illuminazione: Lucerna, una lanterna nomade e versatile che unisce il fascino millenario del vetro soffiato con la tecnologia contemporanea e Pharos, ispirato agli ottocenteschi lampioni della laguna veneziana, interpretati alla luce del presente.

La collezione Ethimo accentua inoltre sempre di più la possibilità di creare liberamente soluzioni diverse, particolarmente in ambito contract e hospitality, con prodotti estremamente versatili come lo sgabello Nicolette e il tavolo Enjoy, oppure abbinando diverse collezioni con prodotti passepartout come le sedute Kilt. Anche gli elementi classici, come gli ombrelloni, vengono reinterpretati con nuove cromie, mentre tessuti e tappeti contribuiscono a mettere in diretta relazione l'universo dell'outdoor e dell'indoor, nel segno del calore e del comfort.

en / The Ethimo collection is enriched with new solutions that bring the outdoor world even closer to the indoor one, in the kind of furnishings as well as in the sophisticated details and in its very way of understanding home living. Christophe Pillet interprets the Mediterranean spirit with masterful elegance in Grand Life, the family of large armchairs and sofas in teak, the outdoor material par excellence, with enveloping woven backrest, flanked by other accessories to create complete, inviting and prestigious spaces. The Ethimo collection also accentuates more and more the ability to create different solutions, particularly for the contract and hospitality sectors.

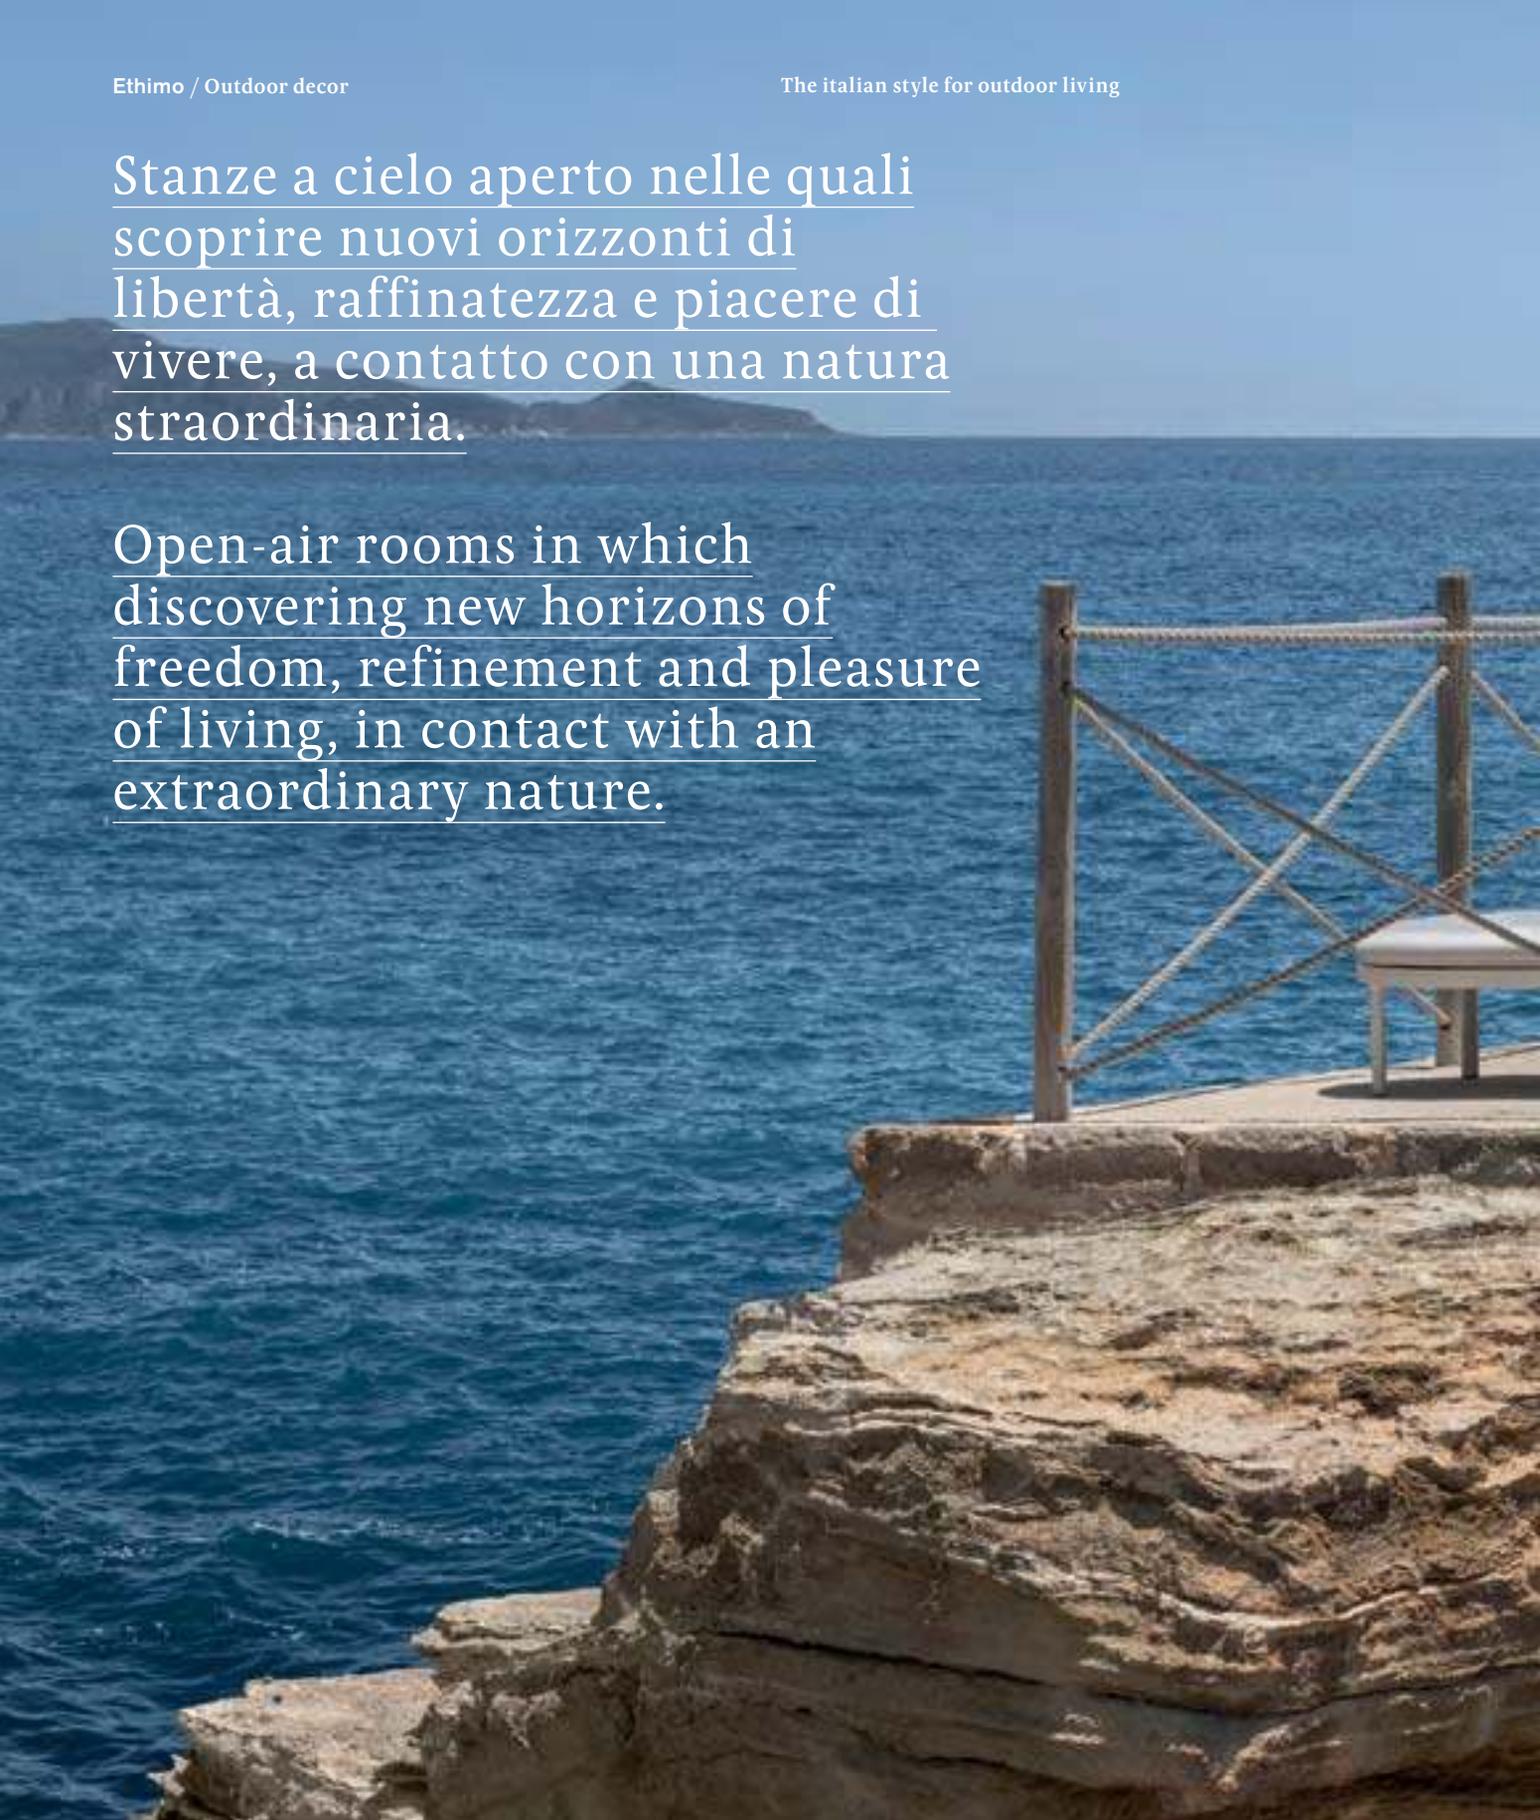

fr / La collection Ethimo s'enrichit de nouvelles propositions qui rapprochent de plus en plus l'espace extérieur du cadre intérieur, aussi bien dans les types de mobilier que dans le raffinement des détails, ou encore dans la manière même de concevoir l'idée d'habitation. Christophe Pillet interprète avec une élégance magistrale l'esprit méditerranéen dans la ligne Grand Life, la famille de grands fauteuils et canapés en teck, matériau d'extérieur par excellence, avec leurs dossiers tressés enveloppants, et d'accessoires complémentaires assortis pour créer un environnement accueillant et prestigieux. La collection Ethimo accentue également de plus en plus la possibilité de créer librement différentes solutions, en particulier dans les espaces collectifs et dans le secteur de l'hôtellerie.

de / Die Ethimo-Kollektion wird mit neuen Vorschlägen angereichert, die die Outdoor- und Indoor-Welt immer näher bringen, sei es durch die Art der Einrichtung als auch durch die feinen Details sowie die Auffassung vom Wohnen. Christophe Pillet interpretiert mit meisterhafter Eleganz den mediterranen Geist in Grand Life, der Produktfamilie mit den großen Sesseln und Sofas aus Teakholz, dem Outdoor-Material par excellence, und einer einhüllenden, geflochtenen Rückenlehne, die durch weitere Accessoires ergänzt werden, um komplette, einladende und luxuriöse Umgebungen zu schaffen. Die Ethimo-Kollektion hebt zunehmend die Möglichkeit hervor, frei unterschiedliche Lösungen zu kreieren, insbesondere in den Bereichen Contract und Gastgewerbe.

Stanze a cielo aperto nelle quali scoprire nuovi orizzonti di libertà, raffinatezza e piacere di vivere, a contatto con una natura straordinaria.

Open-air rooms in which discovering new horizons of freedom, refinement and pleasure of living, in contact with an extraordinary nature.

Ethimo / Outdoor decor

The italian style for outdoor living

Il fascino alpino.

it / Dal Mediterraneo alle Dolomiti, definite da Le Corbusier “la più bella architettura naturale del mondo”, le collezioni Ethimo prendono sempre ispirazione dallo spirito di luoghi in cui la natura, la storia e il presente si fondono in uno stile di vita raffinato, meditativo, ricco di charme e di ispirazioni. Il teak viene interpretato nell'inedita finitura decapata Chocolate che ricorda il calore e il prestigio delle situazioni indoor, in alternativa alla tipica colorazione argentea di questa essenza ideale per gli ambienti esterni. Tessuti morbidi di lana e cashmere, con intramontabili motivi tartan, trasmettono un senso di calore e di comfort, completato da soffici cuscini e coperte in pelliccia.

en / **Alpine charm.** From the Mediterranean to the Dolomites, defined by Le Corbusier as “the most beautiful natural architecture in the world”, the Ethimo collections take inspiration from the spirit of places where nature, history and the present are combined to create a refined, meditative, charming and inspirational lifestyle. Teak is interpreted with the unusual pickled finish Chocolate, which recalls the warmth and prestige of indoor spaces, an alternative to the typical silvery colour of this ideal wood for the outdoors. Soft wool and cashmere fabrics, convey a sense of cosiness and comfort, completed by soft cushions and throws in fur.

fr / **Le charme alpin.** De la Méditerranée aux Dolomites, que Le Corbusier considérait comme « la plus belle architecture naturelle du monde », les collections Ethimo s'inspirent toujours de l'esprit des lieux où la nature, l'histoire et le présent se fondent dans un style de vie raffiné et méditatif, rempli de charme et d'inspirations. Le teak est interprété dans une nouvelle finition décapée, Chocolate, qui rappelle la chaleur et le prestige des pièces intérieures, en alternative à la couleur argentée typique de cette essence idéale pour les espaces extérieurs. Des tissus doux en laine et cachemire, avec des motifs intemporels tartan, insufflent une sensation de chaleur et de confort, le tout complété par des coussins moelleux et des couvertures en fourrure.

de / **Der Charme der Alpen.** Vom Mittelmeer bis in die Dolomiten, die von Le Corbusier als „die schönste natürliche Architektur der Welt“ bezeichnet werden – die Ethimo-Kollektionen sind immer vom Geist der Orte inspiriert, an denen Natur, Geschichte und Gegenwart zu einem feinen, meditativen Lebensstil verschmelzen, voller Charme und Inspiration. Das Teakholz wird in der neuen gebeizten Ausführung Chocolate interpretiert, die an die Wärme und die Eleganz der Innenräume erinnert, als Alternative zur typischen silbernen Farbe dieser für den Außenbereich idealen Essenz. Weiche Woll- und Kaschmirstoffe mit zeitlosen Tartanmotiven vermitteln ein Gefühl von Wärme und Behaglichkeit, die durch weiche Kissen und Pelzdecken abgerundet wird.

Ethimo / Outdoor decor

Tessuto Pool Ebano / Pool Ebano fabric

The italian style for outdoor living

Divano e poltrone Costes in teak decapato chocolate. Cuscini Prestige / Costes sofa and armchairs in chocolate pickled teak. Prestige cushions.

it / Cime coperte di neve, terrazzi baciati dal sole, boschi autunnali e vallate verdeggianti: firmata da Matteo Thun e Antonio Rodriguez, la linea Mountain della collezione Allaperto permette di creare soluzioni su misura per ogni situazione a contatto con la natura, vestendo le linee contemporanee delle sedute lounge e dei lettini, con un caldo abbraccio di tessuti, fantasie, citazioni e sensazioni.

Insieme ai grandi classici della collezione Ethimo, come la sedia a sdraio Elle, il lettino Elit e la famiglia di poltrone, divani e complementi Costes, compongono un concetto di habitat ideale, nel quale le tonalità calde e naturali del legno, esaltano la pulizia formale degli elementi dell'arredo, mentre i tessuti delle sedute e dei cuscini riprendono le trame e i motivi tipici dell'interior decor, pur mantenendo delle caratteristiche tecniche specifiche per l'utilizzo outdoor. Come negli scenari mediterranei, anche la stagione invernale si veste di proposte inedite e affascinanti, studiate da Ethimo per esaltare il piacere della vita all'aria aperta, con soluzioni sempre al top del prestigio, della qualità e dell'eleganza.

en / Snow-capped mountains, sun kissed terraces, autumnal forests and lush green valleys: designed by Matteo Thun and Antonio Rodriguez, the Mountain range from the Allaperto programme enables bespoke creations to be created for all situations set in the midst of nature, dressing the contemporary lines of loungers and daybeds with the warm embrace of fabrics, patterns, influences and sensations. Together with the great classics like Elle, Elit and Costes, they make up an ideal habitat concept, where the warm colours of wood exalt the simplicity of the furnishing elements, while the fabrics borrow the typical weaves of interior decor, maintaining the specific characteristics of the outdoors. Like in Mediterranean settings, even the winter offers unusual and alluring solutions, designed by Ethimo to heighten the pleasure of life in the open air, with ultra prestigious, quality and elegant products.

fr / Des cimes enneigées, des bosquets couleur d'automne et des vallées verdoyantes: signée Matteo Thun et Antonio Rodriguez, la ligne Mountain de la collection Allaperto vous permet de créer des solutions sur mesure pour toutes les situations en relation avec la nature, en habillant les lignes contemporaines avec une étreinte chaleureuse de tissus, de motifs, d'inspirations et de sensations. Avec les grands classiques comme Elle, Elit, Costes, il va constituer un concept d'habitat idéal, dans lequel les tons chauds et naturels du bois font ressortir la forme essentielle des éléments du mobilier, tandis que les tissus reprennent les motifs typiques de la décoration d'intérieur, tout en conservant les caractéristiques pour une utilisation en extérieur. Comme pour les ambiances méditerranéennes, l'hiver s'habille lui aussi de propositions inédites et fascinantes, conçues par Ethimo pour renouveler le plaisir de la vie en plein air, avec des solutions de prestige.

de / Schneebedeckte Gipfel, herbstliche Wälder und grüne Täler: nach dem Design von Matteo Thun und Antonio Rodriguez, die Produktlinie Mountain aus dem Allaperto-Programm ermöglicht es, maßgeschneiderte Lösungen für jede Situation im Kontakt mit der Natur zu erstellen, indem die modernen Lounge-Sitze und Liegen mit warmen Stoffen und Empfindungen bezogen werden. Gemeinsam mit den großen Klassikern der Ethimo-Kollektion, bilden sie das Konzept eines idealen Lebensraums, in dem die warmen und natürlichen Holzfarben die förmliche Schlichtheit der Einrichtungselemente hervorheben, während die Sitzbezüge und Kissen die typischen Muster und Motive der Innendekoration aufgreifen, unter Beibehaltung der spezifischen technischen Merkmale für den Outdoor-Einsatz. Wie in den Mittelmeer-Szenarien, wird auch die Wintersaison in neue und faszinierende Vorschläge gekleidet.

Luoghi memorabili, paesaggi
interiori, storie profonde come il
mare e infinite come il cielo. È questo
il mondo da cui prende ispirazione
Ethimo, un progetto in continua
evoluzione che parla un linguaggio
senza confini, sempre con uno stile
inconfondibilmente italiano.

Unforgettable places, internal
landscapes, stories as deep as the
sea and endless as the sky. This is the
world from which Ethimo takes
inspiration, a continuous evolution
project that speaks a language
without borders, always with an
unmistakably Italian style.

Ethimo. I materiali.
The materials. Les matériaux.
Materialien.

Materie vive.

it / Nell'arredo outdoor Ethimo, gioca un ruolo fondamentale la ricerca e selezione di materiali capaci di unire le emozioni della natura, il prestigio delle lavorazioni artigianali e le migliori doti di qualità, resistenza e durata all'aria aperta.

Legni pregiati provenienti da coltivazioni a ricrescita controllata, intrecci di corda, ceramica con effetto pietra, tessuti naturali ed acrilici, fibre sintetiche riciclabili che ricreano la sensazione della materia organica, sono alcuni degli elementi più rappresentativi di un vero e proprio linguaggio fatto di sensazioni tattili e visive, nel quale tradizioni senza tempo incontrano tecnologie e soluzioni innovative. Dal progetto al prodotto finito, le doti intrinseche dei materiali scandiscono ogni fase del processo Ethimo, arricchendo l'outdoor di valori, sensazioni e possibilità esclusive.

it / La qualità Ethimo è un fatto concreto e tangibile, testimoniato dalla certificazione ISO 9001 che garantisce l'efficienza totale del sistema aziendale: dalla scelta dei materiali e dei fornitori, al progetto, alle lavorazioni, ai servizi. Nati per vivere a lungo a contatto con la natura, i prodotti Ethimo esprimono un'altrettanto rigorosa attenzione alla sostenibilità ambientale e all'etica. La gestione responsabile del patrimonio forestale mondiale è per Ethimo un concetto fondamentale, in sintonia con la certificazione FSC (Forest Stewardship Council) che attesta la provenienza di tutti i legni utilizzati nei prodotti Ethimo, da coltivazioni rispettose dell'ambiente, delle comunità locali e dei diritti dei lavoratori. Anche le vernici utilizzate sono ecologiche ed atossiche, in armonia con questa visione aziendale.

en / **Living materials.**
A fundamental factor for Ethimo outdoor furnishings is the selection of materials that manage to combine the emotions of nature, craftsmanship processes and the best properties of quality, resistance and durability in the open air. Ethimo quality is a concrete, tangible aspect, proven by ISO 9001 certification, which guarantees total efficiency of the company's system: from selection of materials and suppliers, to design through to processes and assistance. Responsible management of international forests is a cornerstone concept for Ethimo, in line with FSC (Forest Stewardship Council) certification, which attests that all the wood used in Ethimo products comes from plantations that respect the environment, local communities and workers' rights.

fr / **Matières vivantes.**
La sélection de matières à même de condenser émotions de la nature, fabrications artisanales et performances en termes de qualité, de résistance et de longévité en plein air joue un rôle fondamental dans le mobilier d'extérieur Ethimo. La qualité Ethimo est un fait concret et tangible, attesté par la certification ISO 9001 qui garantit l'efficacité totale du système de l'entreprise : du choix des matériaux et des fournisseurs à la conception en passant par les phases de production et les services. La gestion responsable du patrimoine forestier mondial constitue également pour Ethimo une valeur fondamentale concrétisée par la certification FSC (Forest Stewardship Council) qui atteste l'origine de tous les bois utilisés dans les produits Ethimo : des cultures respectueuses de l'environnement, des communautés locales et des droits des travailleurs.

de / **Lebende Materien.**
Bei den Outdoor-Einrichtungen von Ethimo spielt die Auswahl von Materialien, die die Emotionen der Natur, handwerkliche Bearbeitungen und eine hohe Qualität, Haltbarkeit und eine lange Lebensdauer im Freien kombinieren können, eine grundlegende Rolle. Die konkrete, greifbare Qualität von Ethimo wird durch die Zertifizierung ISO 9001, die die totale Effizienz des Betriebssystems garantiert, bestätigt: von der Auswahl der Materialien und Lieferanten, bis zum Projekt, den Bearbeitungen und Dienstleistungen. Auch das verantwortungsbewusste Management des internationalen Walderbes ist für Ethimo ein grundlegendes Konzept, das im Einklang mit der FSC-Zertifizierung (Forest Stewardship Council) steht; diese bestätigt, dass alle für die Ethimo-Produkte verwendeten Hölzer aus Kulturen stammen, die die Umwelt, die lokalen Gemeinschaften und die Arbeitnehmerrechte respektieren.

Ethimo / Outdoor decor

it / **Teak.**

Il teak selezionato da Ethimo proviene dalle piantagioni regolamentate di Thailandia e Indonesia. È un materiale eccellente, di elevata qualità, ideale per la realizzazione di mobili da esterno perché estremamente resistente ai cambiamenti di temperatura, all'acqua, all'umidità e alla salsedine.

T1 / Teak

en / **Teak.**

Ethimo teak comes from controlled forest plantations in Thailand and Indonesia. The result is an excellent, high quality material, ideal for outdoor furniture. It is particularly resistant to changes in temperature, water, humidity and saltwater.

The italian style for outdoor living

fr / **Teck.**

Le teck sélectionné par Ethimo provient de plantations réglementées situées en Thaïlande et en Indonésie. Le teck est une excellente matière, de très grande qualité, idéale pour réaliser des meubles d'extérieur dans la mesure où il est extrêmement résistant aux changements de température, à l'eau, à l'humidité et au sel.

de / **Teack.**

Das von Ethimo ausgewählte Teakholz stammt aus den kontrollierten Plantagen Thailands und Indonesiens. Es ist ein hervorragendes Material hochwertiger Qualität, ideal für die Herstellung von Gartenmöbeln, da es auch bei Temperaturschwankungen, Wasser, Feuchtigkeit und Salz extrem haltbar ist.

it / **Teak decapato.**

Per donare al teak un fascino vintage, questo viene trattato con la finitura decapata, cioè dapprima spazzolato rendendo la superficie più ruvida e invecchiata, privandola della naturale patina oleosa, poi tonalizzato. Nel caso della finitura decapata "grey", al teak spazzolato viene applicato un trattamento che gli conferisce una patina grigia argentea con effetto invecchiato. Nella versione "chocolate", dopo la spazzolatura, la superficie è trattata invece con un colore più caldo e intenso che lascia comunque trasparire l'originale venatura del teak. Queste finiture proteggono il legno dall'ossidazione per lungo periodo. Per la manutenzione annuale, sono disponibili appositi kit di ripristino.

T5 / Pickled Teak

TCO / Pickled Teak Chocolate

en / **Pickled teak.**

To give teak vintage charm, it is "pickled", in other words, it is firstly brushed to give the surface a rougher, older appearance, and remove the natural oily coating. It is then tinted. For the "grey" pickled finish, after being brushed, the teak is treated to give it a silvery-grey coating with an antique effect. For the "chocolate" version, after being brushed, the surface is treated with a warmer, more intense colour that still allows the original vein markings of the teak to shine through. These finishes give the wood long-lasting protection from oxidation. We also supply special kits for annual maintenance.

fr / **Teck décapé.**

Pour donner au teck un certain charme d'antan, celui-ci doit être décapé, c'est-à-dire brossé pour rendre la surface plus rêche et la vieillir, en lui ôtant sa couche huileuse naturelle, et ensuite teint. En cas de décapage « grey », le teck brossé subit un traitement particulier qui lui donne un aspect gris argenté avec un effet vieilli. Pour la version « chocolate », la surface, après avoir été brossée, est traitée avec une couleur plus chaude et intense qui ne dissimule toutefois pas les veines originales du teck. Ces finitions protègent le bois à long terme contre l'oxydation. Des kits sont disponibles pour la maintenance annuelle.

de / **Gebeiztes Teack.**

Um dem Teak einen Vintage-Charme zu verleihen, wird es mit dem gebeizten Finish behandelt, d.h. es wird zuerst gebürstet, um eine raue und antiquierte Oberfläche zu erhalten und den natürlichen öligen Film zu entfernen und anschließend getönt. Im Fall der „grau“ gebeizten Oberfläche wird auf dem gebürsteten Teak eine Behandlung angewendet, die ihm eine silbergraue Patina mit Antik-Effekt verleiht. In der Version „Chocolate“ wird die Oberfläche nach dem Bürsten mit einer wärmeren und intensiveren Farbe behandelt, die die ursprüngliche Maserung des Teakholzes in jedem Fall durchscheinen lässt. Diese Oberflächenbehandlungen schützen das Holz langfristig vor Oxidation. Für die jährliche Pflege sind spezielle Pflegekits erhältlich.

it / **Mogano verniciato.**

Per gli elementi di arredo in legno verniciato, Ethimo ha scelto il mogano proveniente da piantagioni indonesiane regolamentate. Il mogano è un legno molto resistente e adatto all'uso all'esterno, utilizzato comunemente anche per la costruzione delle imbarcazioni. Dopo l'essiccazione e prima della verniciatura, il legno viene trattato con un prodotto sigillante che chiude i pori rendendolo impermeabile. Le vernici utilizzate sono resistenti agli agenti atmosferici e alle intemperie, garantite da una speciale procedura per il fissaggio del colore.

M2 / Pantelleria Blue

M4 / Langhe Green

en / **Painted mahogany.**

As for painted wooden furniture, Ethimo chooses mahogany wood coming from regulated Indonesian plantations. Mahogany is a very durable hardwood, extremely suitable for outdoor use, also commonly used in boat building. After drying and before painting, the wood is treated with a sealant which closes the pores making it waterproof. The paints used are weather resistant and weatherproof, guaranteed by a special procedure for fixing the colour.

fr / **Acajou peint.**

Pour ses meubles en bois verni, Ethimo a choisi l'acajou provenant de plantations indonésiennes réglementées. L'acajou est un bois extrêmement résistant et adapté à l'utilisation en extérieur. Il est communément employé pour la construction des bateaux. Après le séchage et avant le vernissage, le bois est traité avec un produit d'étanchéité qui obstrue les pores, imperméabilisant ainsi le bois. Les peintures utilisées sont résistantes aux agents atmosphériques ainsi qu'aux intempéries, garanties par une procédure spéciale pour la fixation de la couleur.

de / **Lackiertes Mahagoni.**

Für die Einrichtungselemente aus lackiertem Holz hat Ethimo von kontrollierten indonesischen Plantagen stammendes Mahagoni gewählt. Mahagoni ist ein sehr widerstandsfähiges Holz, gut für den Aussenbereich geeignet und wird auch im Schiffsbau verwendet. Nach der Trocknung und vor der Lackierung wird das Holz mit einem Versiegelungsprodukt behandelt, das die Poren schliesst und es undurchlässig macht. Die verwendeten Lacke sind wetterfest und durch eine Spezialbehandlung zur Farbfixierung garantiert.

M3 / Ostuni White

Rope Taupeit / **Etwick.**

La fibra etwick di Ethimo è un materiale sintetico riciclabile che riproduce l'aspetto del midollino assolutamente inattaccabile da agenti atmosferici e dal trascorrere del tempo. È intrecciata a mano ed ha una finitura ruvida che la rende perfettamente naturale al tatto e alla vista.

en / **Etwick.**

Ethimo etwick fiber is completely recyclable and recreates wicker's natural look. It perfectly withstands the elements and the passage of time. It is handwoven and it has a rough finish which makes it perfectly natural to the touch and sight.

fr / **Etwick.**

La fibre etwick d'Ethimo est une matière synthétique recyclable qui reproduit l'aspect de l'osier. Elle est absolument inaltérable par les agents atmosphériques et par le passage du temps. Tressée à la main, elle se distingue par une finition rugueuse qui fait d'elle une matière parfaitement naturelle aussi bien au toucher qu'au regard.

de / **Etwick.**

Die Faser Etwick von Ethimo ist ein synthetisches Material, das recyclebar ist und das Muster von Korbgeflecht nachbildet, doch dabei absolut vor Witterungseinflüssen und dem Zahn der Zeit verschont bleibt. Es wird von Hand geflochten und hat eine raue Oberfläche, die es beim anfassen und im aussehen vollkommen natürlich erscheinen lässt.

W20 / Bark

W21 / White

it / **Lightwick.**

La fibra Lightwick di Ethimo è un intreccio formato da un filo base di diametro 2 mm a sezione rotonda con cui sono realizzate maglie diverse che danno vita ad una trama irregolare molto confortevole. Combinata con la struttura di alluminio, è ideale per realizzare elementi dall'estrema leggerezza e resistenza.

en / **Lightwick.**

Ethimo Lightwick fibre is a weaving composed of a wire base with a diameter of 2 mm with a round section used to create different meshes carrying out an irregular, very comfortable pattern. Combined with the aluminium frame, it gives shape to outdoor elements characterized by extreme lightness and strength.

fr / **Lightwick.**

La fibre Lightwick d'Ethimo est constituée d'un tressage formé d'un fil de base de 2 mm de diamètre à section ronde permettant de réaliser des mailles différentes donnant naissance à des trames irrégulières particulièrement confortables. Associées à des structures en aluminium, ces fibres sont idéales pour la réalisation d'éléments d'une résistance et d'une légèreté extrêmes.

de / **Lightwick.**

Die faser Lightwick von Ethimo ist ein Flechtwerk, das aus einem Grundmaterial mit 2 mm Durchmesser besteht, das einen runden Querschnitt aufweist und mit dem unterschiedliche Maschen realisiert werden, die ein unregelmäßiges, sehr ansprechendes Muster erzeugen. Mit der Aluminiumstruktur kombiniert, ist es ideal für die Herstellung von Elementen extremer Leichtigkeit und Widerstandsfähigkeit.

W22 / Warmgrey

W23 / Warmwhite

it / **Natwick.**

La fibra natwick di Ethimo è una fibra sintetica riciclabile con finitura naturale color sabbia, la cui sezione semicircolare consente di realizzare intrecci di particolare leggerezza e dinamicità. Estremamente resistente ad agenti atmosferici e ad usura.

en / **Natwick.**

Natwick fibre by Ethimo is a recyclable synthetic fibre in a natural and sand-colour finish, whose semi-circular section means it can be used for especially light, dynamic weaving. Extremely resistant to atmospheric agents and wear.

fr / **Natwick.**

La fibre natwick d'Ethimo est une fibre synthétique recyclable à finition naturelle couleur sable dont la section semi-circulaire permet de réaliser des tressages particulièrement légers et dynamiques. Elle est extrêmement résistante à l'usure et aux agents atmosphériques.

de / **Natwick.**

Die Natwick-Faser von Ethimo ist eine wiederverwertbare Kunstfaser mit natürlicher und sandfarbener Ausführung, deren halbrunder Querschnitt besonders leichte und dynamische Flechtarbeiten ermöglicht. Außerst witterungs- und verschleißfest.

it / **Terracotta.**

L'argilla con cui sono realizzate le lampade da giardino Step si trova naturalmente in una delle più belle aree della Toscana. L'argilla prende vita tra le mani di esperti lavoratori delle fornaci della Val di Chiana, in provincia di Siena, adattandosi alla forma dello stampo. Tolto dallo stampo, il pezzo viene purificato dalle imperfezioni. Dopo una lenta ed omogenea fase di disidratazione, i prodotti vengono disposti nei forni per la cottura, che necessita di circa 3 giorni, raggiungendo una temperatura massima di circa 1000 gradi.

en / **Terracotta.**

The clay which the garden lamps Step are made of, occurs naturally in one of the most beautiful areas of Tuscany. The clay comes to life in the hands of experienced workers in the furnaces of the Val di Chiana, adapting to the shape of the mold. Removed from the mold, the workpiece is purified by imperfections. After a slow and homogeneous phase of dehydration, the products are placed in ovens for cooking, which requires about 3 days, reaching a maximum temperature of about 1000 degrees.

fr / **Terre cuite.**

L'argile permettant de réaliser les lampes de jardin Step est naturellement présente dans un écosystème très particulier du territoire de l'une des plus belles zones de Toscane. L'argile prend vie entre les mains des potiers experts du Val di Chiana, dans la province de Sienna, en s'adaptant à la forme du moule. Une fois extrait de ce dernier, l'objet est purifié de ses imperfections. Après une phase de déshydratation lente et homogène, les produits sont disposés dans les fours de cuisson, une étape qui dure environ 3 jours et atteint une température maximale d'environ 1000 degrés.

de / **Terrakotta.**

Der Ton, aus dem die Gartenlampen Step hergestellt werden, kommt aus einer der schönsten Gegenden der Toscana liegt. Der Ton wird unter den Händen erfahrener Handwerker an den Brennöfen des Val di Chiana, in der Provinz Siena zum Leben erweckt und passt sich der Form an. Sobald es aus der Form genommen wurde, wird das Stück von den Unregelmäßigkeiten befreit. Nach einer langsamen und gleichmäßigen Phase der Austrocknung werden die Produkte zum Brennen in die Öfen gebracht, was ca. drei Tage erfordert und wobei eine Höchsttemperatur von ca. 1000 Grad erreicht wird.

Accanto alla gamma di tessuti "ready to order", Ethimo propone la nuova collezione di tessuti "Prestige". Ispirati nell'aspetto alle trame e alla matericità dei tessuti per l'interior design, presentano tutte le caratteristiche di un prodotto specifico per l'outdoor; l'acrilico è tessuto in modo da ottenere una straordinaria morbidezza, la grammatura è molto pesante (700-920 gr/ml).

In addition to its range of "ready to order" fabrics, Ethimo is pleased to present its new collection of "Prestige" fabrics. Inspired by the weaves and texture of fabrics used in interior design, they have all the characteristics needed for outdoor use: acrylic is woven in such a way as to obtain an extraordinarily soft fabric, the grammage is very high (700-920 g/linear metre).

fr / Tissus Prestige.

Outre sa gamme de tissus « prêts à commander », Ethimo propose également une nouvelle collection de tissus « Prestige » à l'aspect inspiré des trames et des matières des tissus d'intérieur, mais avec toutes les caractéristiques d'un produit spécifique pour l'extérieur : l'acrylique est tissé de façon à obtenir une souplesse extraordinaire, le grammage est très lourd (700-920 gr/ml).

de / Prestige-Stoffe.

Neben der Auswahl an Stoffen „Ready to Order“, bietet Ethimo die neue Stoffkollektion „Prestige“ an. Der Look, der an den Texturen und dem Material der Stoffe für das Interior Design inspiriert ist, hat alle Eigenschaften eines spezifischen Outdoor-Produkts. Das Acryl ist so gewebt, dass eine außergewöhnliche Weichheit erzielt wird, die Grammatur ist besonders hoch (700-920 g/lfm).

Il viaggio di Ethimo continua, giorno per giorno. Stagione dopo stagione. Oltre il tempo. Negli spazi dedicati alla contemplazione, alla convivialità, all'esplorazione di nuove prospettive ed espressioni dell'outdoor contemporaneo.

The journey of Ethimo carries on, day by day. Season by season. Over time. In spaces dedicated to contemplation, to conviviality, to the exploration of new prospects and expressions of contemporary outdoor.
