# *Our collections*

A dark, blue-tinted photograph of industrial machinery, likely used for rotational moulding. The image shows various mechanical components, including what appears to be a large rotating drum or mold, with various levers, bolts, and structural frames. The lighting is low, creating a moody, industrial atmosphere.

*We are committed to sustainability*

The background of the entire page is a deep navy blue. It features two large, ethereal jellyfish. One is in the top left corner, its white, translucent bell and long, thin tentacles extending towards the center. The other is in the bottom right corner, also with a white bell and long, flowing tentacles that sweep across the lower half of the image. The jellyfish appear to be glowing against the dark background.

The image shows a modern, minimalist interior space, likely a showroom or lounge. The walls are a light, neutral color. A large, stylized graphic of the word "undefasa" is mounted on the wall, with the tagline "always ceramics" underneath it. The ceiling is white and features a series of large, white, spherical pendant lights hanging from black cords. The floor is made of large, light-colored tiles. In the foreground, there are three small, dark wooden tables with black chairs. To the left, there is a large, light-colored wooden structure with a blue cushioned seat. In the background, there is a glass-enclosed area with a television screen displaying a kitchen scene. The overall atmosphere is clean and contemporary.
