Baia has a sartorial elegance in which selected fabrics dress the sofas and armchairs in natural tones, which can be further interpreted with subtle stripes or combined with eco-friendly leather bands. The heritage appeal of the entire collection meets the contemporary nature of materials and workmanship specific to the nautical world, in a balance of aesthetic and technical needs. The coffee table with travertine top is a clear reference to the connection with the natural world, without ever abandoning the link with the peculiarity of its function.

The idea of modularity underpins the concept of the new yacht collection, so the daybeds and loungers, like the coffee table, can be combined with the welcoming lines of Costiera, fitting fluidly into any type of project.
