STEP BEYOND

# A DESIGN LIGHTING BRAND FROM THE CZECH REPUBLIC

BOMMA creates outstanding lighting  
collections for both private and public interiors.  
From small to oversized, BOMMA products  
combine contemporary design, traditional  
craftsmanship and dedication to quality.

# MANUFACTURER

BOMMA's state-of-the-art production facility enables our master craftsmen to constantly push the boundaries of glassmaking. All our crystal pieces are hand-made, dancing on the edge of what is humanly and technically possible. Yet, BOMMA provides a technologically advanced environment that elevates hand production to a new level, ensuring both precision and exceptional quality.

# EMOTION AND DELIGHT

Our products are designed to bring emotion, delight and beauty to both traditional and modern spaces. They impress through their inventiveness, quality and, often, an awe-inspiring size. BOMMA lights are intended to draw attention as stunning centerpieces, creative groups or if you wish, large clusters that fill entire rooms.

# LIGHTING COLLECTIONS

In modern architecture, lighting elements serve as jewels that add refinement and emotion to interiors. Their forms and luminosity bring out the essence of each space. At BOMMA, we explore this deeper dimension through innovative approaches that move the standards of our craft and products a step beyond.
